In a challenging year our donors showed more than ever just how important education is to our community. From supporting the District's urgent needs for additional teaching and distance-learning resources, to generously giving to our families and staff who were so drastically impacted by the Alameda Fire, hundreds of you stepped forward and changed our world with your gifts.

If your name isn't here, we invite you to join our family of donors — it's always a great time to give! Donate on our website, AshlandSchoolsFoundation.org, text ASF to 72572, or call 541-482-8197 and help us enrich the education of Ashland's youth.

We greatly appreciate the regular support from these businesses in our community and invite you to personally thank them.

Our Virtual Monster Dash raised nearly \$23,000 and had over 100 business sponsors and donors who were thanked individually in an event thank you ad directly following the event.

Special thanks to
Kathy Carter of Carter Works for yearlong graphic design support and to Sneak Preview for donating space for this ad.

There have been many lessons learned in this past year, especially the power of flexibility. Donations in 2021 will support emerging needs in our schools, along with continuing to support the AHS Tutoring Center and Science Lab Aides programs, plus our classroom Impact Grants for innovative, hands-on projects. Please help us fully fund our grants.

NOW IS A GREAT TIME TO JOIN OUR 2021 FAMILY OF DONORS!
