The new school year is about to kick off, and to date \$170,000 has been raised to Keep Educators in the Classroom and for ASF's classroom grant programs for the 2017-18 school year. This year we are also working to raise an additional \$55,000 for a new after-school enrichment program at the elementary schools. We could use your help—it's not too late to donate!

Donate on our website, ashlandschoolsfoundation.org or call 541-482-8197 and help us enrich the education of Ashland's youth.
